## President's Message

Dear Esteemed Members,

As we enter the third quarter of 2024 and celebrate the birth of our nation, I want to extend my heartfelt commendations to every member of the Club for your contribution to our nation. Your dedication to grassroots efforts has made our nation and community a more vibrant and welcoming place for everyone. The National Day celebration is not only a tribute to Singapore's achievements and progress but also a recognition of the contributions of its citizens.

In our rapidly evolving world, one constant remains: the importance of unity and moving forward together. Just as our nation evolves, so do we. At The Grassroots' Club, we have been diligently working behind the scenes to create more meaningful events and programmes that foster interaction among our members, their families, and friends.

As we navigate the transition due to the upcoming closure of our clubhouse, I want to reassure you that the management committee, staff, and I are steadfast in our commitment to the Club's vision. We strive to be the Club of choice for meeting the social, educational, recreational, and developmental needs of Grassroots Volunteers in Singapore. We are excited about the transition plan and look forward to offering a diverse range of programs and creating more opportunities for grassroots volunteers to connect across various locations in Singapore.

We encourage all members to continue their efforts in giving back to the community, as we remain committed to giving back to you through our club's grassroots commitment. Let us work together in the years ahead to enhance both our country and our Club.

Best Regards,

**Mr Toh Sze Wei, PBM**  
**President**  
**The Grassroots' Club**

# Honorary Treasurer's Message

Dear Members of The Grassroots' Club,

It is with great honour and a deep sense of responsibility that I introduce myself as your newly appointed Honorary Treasurer and Chairman of the Finance Committee. My journey with The Grassroots' Club (TGC) began in 2007 when I served as Vice-Chairman of The Grassroots' Aquatic Club. Over the years, I have had the privilege of contributing to TGC in various capacities, including Honorary Auditor, Honorary Assistant Secretary, Honorary Assistant Treasurer, and Vice-Chairman of both the Finance and Building & Facilities committees. Today, I am excited to take on this role, where I will continue to serve our club with dedication and commitment.

My professional background has been deeply rooted in finance and management, with significant experience as General Manager and Financial Controller for several prestigious clubs. These roles have equipped me with a solid foundation in financial stewardship, strategic planning, and operational excellence. I have been responsible for overseeing complex financial operations, ensuring fiscal discipline, and driving financial sustainability. My experience in managing large-scale budgets, optimising financial processes, and leading diverse teams will be invaluable as I work to enhance the financial success of TGC.

In addition to my work in the club industry, my extensive grassroots experience has shaped my approach to leadership and community service. Since joining the People's Association Grassroots Organisations in 1986, I have been an active participant in numerous committees and have held various key positions. My time as an Adjunct Faculty Trainer at the National Community Leadership Institute allowed me to impart essential financial management skills to grassroots leaders, further solidifying my commitment to community development.

As I step into the role of Honorary Treasurer, I am committed to leveraging my knowledge, skills, and experience to ensure that TGC continues to thrive financially. I am acutely aware of the challenges ahead,

including the impending land lease expiry, the closure of the physical clubhouse, and the transition to off-site activities. These changes will undoubtedly impact our operations and finances.

My focus will be on maintaining transparency, accountability, and sound financial practices while developing robust strategies to address these challenges. This includes exploring alternative revenue streams, optimising our budget and ensuring seamless logistics for off-site activities. We will also prioritise maintaining strong community engagement through innovative channels and adapting our programs to suit new environments.

I am dedicated to ensuring the long term sustainability of TGC and will work tirelessly to navigate these uncharted waters.

I would like to take this opportunity to express my deepest gratitude to my predecessor, Mr Abel Tan, for his exceptional service as Honorary Treasurer. His leadership and dedication have set a high standard, and I am fortunate to build upon the strong foundation he has laid. I would also like to extend my heartfelt thanks to Mr Simon Leong, the former President of TGC, whose vision and support have been instrumental in our club's success. Additionally, I am grateful to the previous Finance Committee, the TGC management, and the staff for their hard work and unwavering commitment to the club.

As we embark on this new chapter, I look forward to working together with all of you to ensure the continued financial prosperity and growth of The Grassroots' Club. Thank you for your trust and support.

Sincerely,

**Mr Kok Wai Kin**  
**Honorary Treasurer & Chairman, Finance Committee**  
**The Grassroots' Club**

## Editor's Message

Greetings Members,

Happy National Day! As our nation celebrates its 59th anniversary, we are delighted to present a special edition commemorating this significant milestone.

For an in-depth look at our journey through past events and notable highlights, turn to pages 8 and 9 of this issue. Here, we reflect on the milestones and achievements that have shaped our journey over the years.

Looking forward, page 12 offers a glimpse into our exciting upcoming events. Whether it's community gatherings, engaging tours, or special initiatives, we invite you to join us in these upcoming activities.

Additionally, page 13 provides comprehensive details on the exclusive privileges and benefits available to our valued members. From discounts and promotions to unique member-only events, we aim to enhance your experience with us.

To stay updated on all our events, promotions, deals, and discounts, follow us on our social media channels on page 19.

We are glad to have you as part of our club community.

Warmest Regards,

**Miss Ng Liza, PBM**  
**Chairperson, Marketing and Communications Committee**  
**Vice President**  
**The Grassroots' Club**

**Joel Ng**  
General Manager  
The Grassroots' Club

# Introducing Our New General Manager

Dear Members,

We are pleased to announce the appointment of Mr Joel Ng as our new General Manager, who assumed the said role on 1 April 2024 at The Grassroots' Club (TGC). We are pleased to share that Mr Joel Ng has dedicated 14 years of service with the People's Association (PA). During this time, he has taken on roles such as Deputy Constituency Director and Constituency Director, where he contributed to grassroots recruitment, volunteer development, and implementation of community infrastructure projects and community events.

These experiences have helped him grow in his commitment to the values we hold dear at TGC—leading with humility, engaging with the community, and building strong relationships. His journey and values reflects our shared mission to create a vibrant and cohesive grassroots network.

As Mr Joel Ng steps into the role of General Manager of The Grassroots' Club, the focus will be to:

1. **Innovate and Adapt:** Imagine, innovate and build a new operating model to enhance the club offerings to its members without a physical clubhouse.
2. **Support Member Needs:** Continue to introduce and implement programme and activities to meet the social, recreational and well-being needs of its members.
3. **Build Community:** Strengthen the relationship and cohesion amongst grassroots leaders and volunteers within and across different parts of Singapore

"It is both rewarding and fulfilling to lead the The Grassroots' Club being a Club which is dedicated to

recognize the invaluable contribution of grassroots leaders for their service to the community, and build a more vibrant and cohesive grassroots network. As we move forward, I acknowledge it will be challenging to lead the club in its transformation to adapt and operate in a new operating model without a physical clubhouse. However, I am confident that we can continue the club's rich legacy of fostering a vibrant membership while embracing the future.

Technology will play a pivotal role in enabling these new experiences, however we are to be mindful that it is not meant to replace physical interaction. It will provide more seamless and diverse opportunities for members to engage with one another. Our commitment remains to foster a vibrant community where members can continue to build meaningful relationship, share ideas, and participate in activities that matter to them.

As we embark on the transition to the new model, our focus will be in enhancing members' experiences and offerings beyond the physical clubhouse by offering a broad range of programmes and creating more opportunities for more grassroots leaders to interact at different locations across Singapore. We are excited about the opportunities that this will bring, and members can look forward to being part of a vibrant and growing grassroots community.

I am confident, together, we can make this a success." Mr Joel Ng expressed this with confidence.

We believe that Mr Joel Ng's extensive experience and dedication will be instrumental in guiding TGC through the journey in the transformation. Please join us in extending a warm welcome to Mr Joel Ng at The Grassroots' Club!

# PAST EVENTS

## Pickleball Trial (10 May 2024)

To encourage fitness among our members and introduce new sports to our audience, our Club hosted a pickleball trial class. Within the confines of our club, participants learned the fundamentals of this uncommon sport while thoroughly enjoying themselves. Amidst learning the basics and getting comfortable with the rules and equipment, contagious laughter could be heard throughout. It seems that sports, too, can be a fun way to bond with others.

## Will Writing (29 June 2024)

In June, our members participated in an enlightening session on will writing. Thanks to the efforts and insights of an experienced speaker, our members gained a deep understanding of the complexities involved in ensuring a will's validity, learned effective steps for writing one, and dispelled common misconceptions surrounding the subject. Members left the session with a newfound knowledge, feeling enlightened and motivated to initiate the planning of their wills for their diverse assets.

## Durian Trip (21 July 2024)

Durian, the ever controversial but much beloved fruit, also known as the National Fruit of Singapore, was the focus of our recent trip. This trip included multiple different activities that immersed us into the world of durian, guided by an experienced local. From visiting a durian plantation in Putuo Village to feasting at a durian buffet, the sheer amount of durian was formidable. We achieved our objective of spreading the joy brought on by this fruit to our members, who greatly enjoyed the activities, often expressing awe and delight!

# 32<sup>ND</sup> ANNUAL GENERAL MEETING

The Grassroots' Club's 32nd Annual General Meeting took place on the 19th of July 2024, with 177 members in attendance. Key concerns about the clubhouse closure were addressed, and TGC announced a transition to a new operating model that will enhance members' experiences and offerings beyond the physical clubhouse.

As a gesture of gratitude, all current members will receive an appreciation package. Look out for a letter from the Club in September 2024 with details on how to redeem the appreciation package.

After the formalities, members enjoyed an electrifying evening at Qian Xi. The evening began with the introduction of the new president by the former president, followed by a celebratory toast with everyone. The night then kicked off with a dazzling LED belly dance performance, setting the stage for a series of stunning acts. The audience was treated to performances by four incredible singers: Jessie, Ru Ping, Hao Hao, and the versatile Yati, who wowed everyone with her songs in Cantonese.

The fun did not stop there, as members engaged in engaging table games. The emcee kept the energy high throughout the evening while guests savoured a sumptuous eight-course dinner. It was a night filled with laughter, music, and unforgettable moments.

# A JOURNEY THROUGH OUR ICONIC LANDMARKS

As Singapore's celebrating its 59th birthday soon, let's take a stroll down memory lane through three iconic landmarks that encapsulate the essence of our country: Marina Bay Sands (MBS), Kampong Glam, Chinatown, and Little India

## Marina Bay Sands (MBS)

Marina Bay was previously only an area of water off Collyer Quay where ships arrived, and passengers were transferred to small boats that took them to Johnston's Pier (which was replaced by Clifford Pier in 1933). Marina Bay has since become a futuristic centre. The land reclamation project in the 1970s laid the groundwork for what would become one of Singapore's most iconic skylines. Marina Bay Sands, designed by titular architect Moshe Safdie, was created to complement Singapore's idea of a modern Garden City.

MBS is now a work of art that seamlessly combines Singapore's illustrious past and forward-thinking future, attracting both locals and tourists. The integrated resort, located along the scenic waterfront overlooking the Singapore Strait, consists of a diversified collection of elegant structures and interconnected public spaces that weave together to form the focal point of civic life, drawing inspiration from the great Roman cities of the past. Aside from its splendour, MBS offers art exhibitions, performances, and events, making it a cultural hub.

## Chinatown

Chinatown has endured numerous challenges and tribulations since its humble beginnings as the birthplace of Singapore's early migrant population. Originally a thriving community for Chinese immigrants, it became famous for its diverse mix of businesses, coolie quarters, marketplaces, restaurants, theatres, shops, and brothels.

Despite tackling issues such as crowding, Chinatown was designated as a conservation area in 1989 to protect its historical architecture and cultural value, and today, as Singapore's largest historic district, with its four sub-districts—Bukit Pasoh, Kreta Ayer, Telok Ayer, and Tanjong Pagar—were granted conservation status in the late 1980s, allowing remnants of its vibrant history and ancient customs to survive amidst the changes.

Chinatown continues to be the core of the Chinese community, with many traditional cultures, arts, and crafts being revived. It is jam-packed during the Chinese New Year season, where many residents gather to purchase Chinese New Year goods and participate in various events. Chinatown currently stands out as a quaint throwback, with lively temples, bustling marketplaces, and a delightful combination of old and contemporary, drawing both visitors and Singaporeans wanting to explore the country's rich history.

## Kampong Glam

Singapore's one of the most vibrant and historic areas is Kampong Glam, which has long become a symbol of the nation's mixed cultural background. It originally was a fishing village but later became the center of Malay-Muslim community in the early 19th century, housing the palace of Sultan Hussein Shah as well as the magnificent Sultan Mosque. Presently, this is a lively place that mixes old-fashioned shophouses with up-to-date fashionable boutiques, coffee shops and art exhibitions. Kampong Glam stands as an embodiment of Singapore's ability to respect its rich heritage.

## Little India

The term "Little India" has evolved to mean an enclave or microcosm with a concentration of Indian and South Asian people.

Little India in Singapore started as a small town for Indian immigrants in the early nineteenth century. In the beginning, the Indian people were hired to work in brick kilns and then in the cattle industry, but the area soon grew into a cultural hub for Indian and South Asian community. As it continues to blossom, Little India became known for its spice stores, textile merchants, and traditional restaurants.

From the years after World War II to the present, the Little India area has evolved into a commercial hub supporting the needs of the Indian population. Today, Little India is an area that caters to everyone. From the aromatic spices at Tekka Centre to the delicate jewellery at Goldsmiths, the region is a bustling market where local Indians shop for traditional handicrafts and tourists explore its history.

The festive energy is especially notable during Deepavali, the Hindu festival of lights, where the streets are adorned with spectacular lights and decorations, bringing visitors from all around Singapore.

A visit to Little India is essential for experiencing the precinct's sights, sounds, and aroma. While strongly ingrained in tradition, Little India is still filled with stories from the past and present from the exhibition, which allows visitors to tour the district on foot, meet its people, admire its shophouse architecture and monuments, and taste the cuisines on offer.

## In Celebration of Singapore's Journey

These landmarks set upon a reminder to us of our nation's journey from a humble trading port to a global metropolis. They are a testament to the country's resilience, forward-thinking spirit and diversity that truly define Singapore. Be it the dazzling skyscraper of MBS, the charm of Chinatown's history, the richness of the cultural and heritage of Kampong Glam, or the bright and vibrant streets of Little India, each tells a unique tale of Singapore's past and present.

Happy 59th Birthday, Singapore!

# UPCOMING EVENTS

## Acres Tour - September

Immerse yourself in an educational journey through the world of wildlife with our exclusive tour hosted by Singapore's premier wildlife rescue center. Witness firsthand how captive animals are meticulously observed, studied, and cared for. Delve into the manmade habitats of numerous endangered species, gaining invaluable insights that foster a deeper empathy and understanding

of these magnificent creatures. This experience promises not only to enrich your knowledge but also to inspire a newfound appreciation for the importance of wildlife conservation.

## Talk on LPA - October

Join us at our club for an informative talk on Lasting Power of Attorney (LPA). Discover how this crucial legal document empowers you to plan for the future, ensuring your affairs are managed according to your wishes even if you lose mental capacity. Learn about the eligibility criteria, the process of appointing donees, and the importance of registering your LPA. Don't miss this opportunity to gain clarity and peace of mind regarding your future planning.

## Farm to Table - November

Embark on a memorable farm tour with us, where you'll delve into the heart of agricultural life. Explore our fields and greenhouses, learn about sustainable farming practices, and discover firsthand how we cultivate a variety of crops. Meet friendly farm animals and gain insights into their care and role in our ecosystem. Whether you're passionate about agriculture or simply curious about rural life, our guided tour promises an enriching experience surrounded by nature's beauty and the charm of farm living.
